Directions to Joint Replacement Outcomes Clinic (JROC)

JROC is located at room 34210, level 3, R Block, Royal Perth Hospital (RPH). Telephone: 9224 4284.

Here are 3 routes to JROC:

› Wellington Street entrance (easiest/quickest)

The Wellington Street entrance is the quickest and easiest access point and drop off spot. For wheelchair assistance, patient transport can be arranged here. Take the yellow lift on this level 2 entrance up to level 3 and walk down the corridor toward the green lifts. Parking at Wellington Street entrance may be limited.

› Walkway entrance

Try the big public car park and use the Walkway entrance into the hospital via the lift to level 3. Follow the map to the Green lifts.

› Victoria Square main entrance (Friends of RPH/voluntary assistance)

At the main entrance, Friends of RPH volunteers can assist with transporting patients to the clinic. Wheelchair transport is also available at the Wellington Street entrance.
